

## Accident and international health insurance for participants on board the research vessels METEOR, MARIA S. MERIAN, ALKOR and POSEIDON

For all participants an accident and international health insurance is procured by the shipping company.

### Accident insurance

(Insurance company R+V – 65181 Wiesbaden)

This insurance covers accidents within and even outside working hours (e.g. during free time on board or during shore leave).

The insurance doesn't cover accidents of the insured persons due to mental disorder or reduced consciousness, including cases of drunkenness, as well as apoplexies, epileptic seizures or other seizures which affect the whole body of the insured person. However insurance coverage exists if these disorders or seizures were caused by an accident occurrence included in this contract.

The insurance starts 96 hours before the arrival on board and ends 96 hours after leaving the ship at the end of the expedition. Thereby it shall be ensured that the arrival and the departure to/from the ship fall under the protection cover.

Extract from the list of services (for each person):

Disability (basic sum)	EUR 100.000,00
Total disability	EUR 300.000,00 (progression 300%)
